

Minor Injuries Service coming to this surgery

From April 2016, this surgery will provide a Minor Injuries Service for injuries including:

- sprains and strains
- cuts and grazes
- suspected minor fractures
- minor burns and scalds
- bites
- minor eye injuries
- minor head injuries

The nurses in this surgery will be trained in treating a range of minor injuries.

The service will be available during normal GP surgery opening times on a walk-in basis.

If you suffer a minor injury outside normal GP opening hours ring NHS 111 for advice. Calls to 111 are free from any landline or mobile.
